

LISTEN UP AND GET INVOLVED!

The ACOUSTICAL SOCIETY OF AMERICA is pleased to offer a special one-time workshop.

Kids ages 12-17 are invited to explore the basic principles of acoustics and the wide variety of exciting careers that involve the **SCIENCE OF SOUND!**

Enjoy hands-on experiments and learn about career opportunities with women scientists, engineers and professors from all over the country.

Everyone will earn a **PATCH!** and pizza will be served.
